MUSEUM

UNIQUE SURFACES

Museum is a brand name synonymous with deluxe ceramic tiles. Its elegant sophisticated products stand out for their high-tech modern identity, with the emphasis on innovation, design and a forward looking vision.

We channel our experience as a manufacturer and desire to evolve into keeping abreast of today's times. Thanks to the addition of new formats, textures and finishes, our range offers even broader design potential as part of our commitment to guaranteeing exquisite, highly desirable products with a clearly distinctive hallmark.

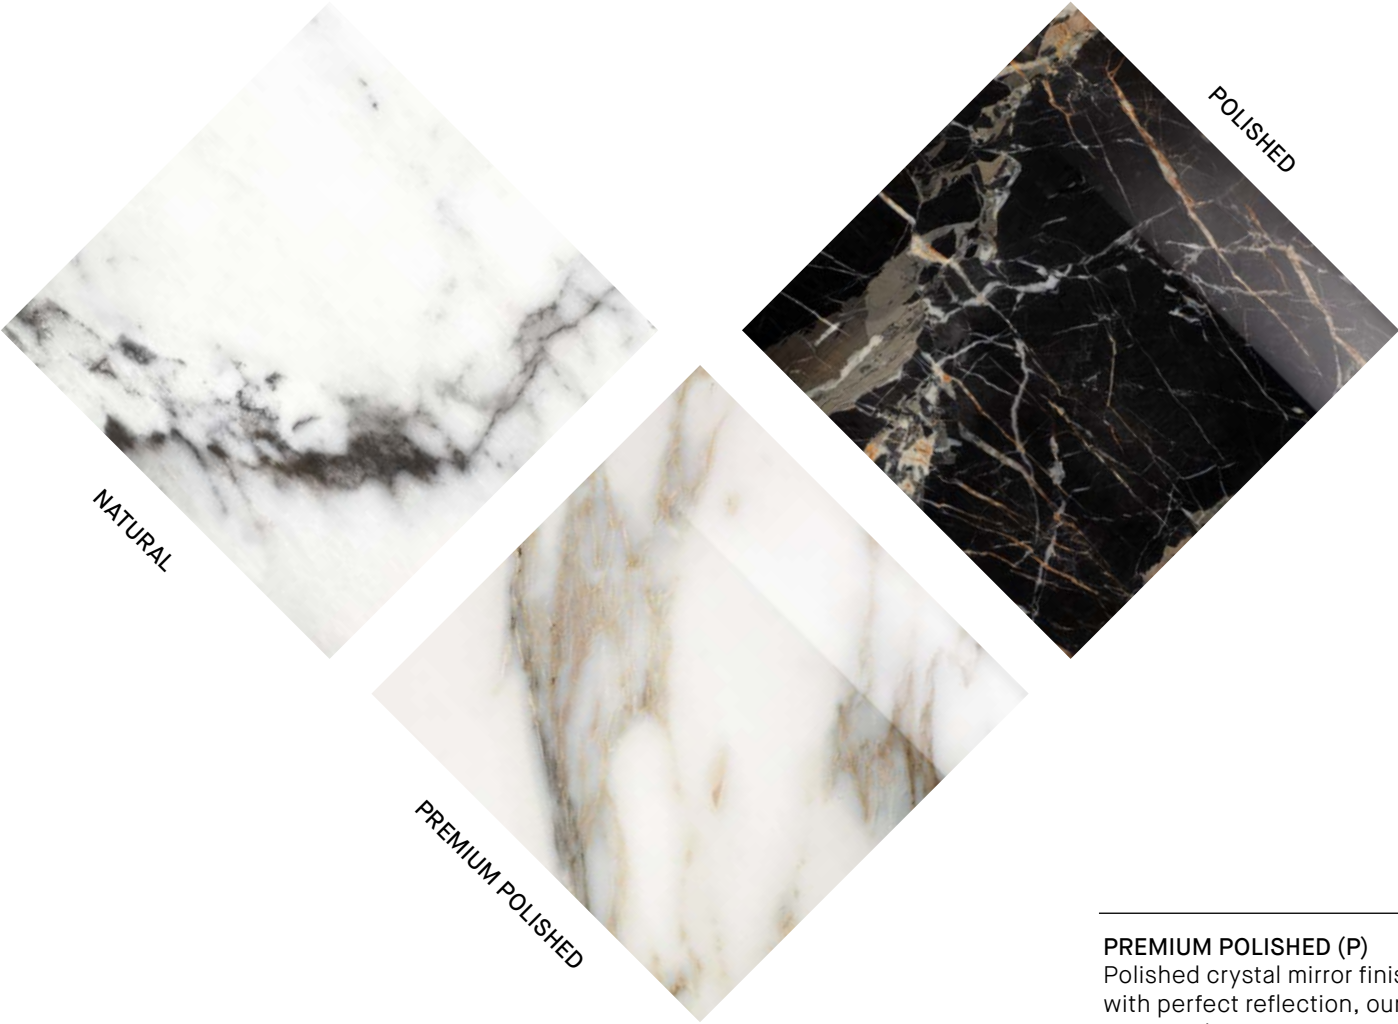

NEW MUSEUM WALL TILES

MUSEUM launches a **NEW** format of **33x100 cm** to combine with its product portfolio.

Combinability is one of the goals that MUSEUM seeks as a source of added value in all its products, from its marble-effect tiles to its wood and stone-effect ones. This has been improved with the new wall tiles included in the succesfull already existing porcelain ranges. But not only applies to its different types of products, also to different aspects of them through matching ranges of colours and wide varieties of formats and finishes, aimed at opening up endless different possibilities and fostering the creation of sophisticated truly modern looking settings.

4D TECH TECHNOLOGY

BREAKING THE BOUNDARIES OF EXCELLENCE
4D TECH is the most innovative tile manufacturing system on the market, based on exclusive new technology aimed at guaranteeing quality second to none.

THE NEW MUSEUM RANGE
Thanks to the use of new 4D TECH technology, Museum has broken its own record for excellence, achieving a level of precision and versatility that no other tile range can equal.

DIMENSIONS
Even more formats
New more varied formats. With 4D TECH technology, there are no limits to the formats that can be produced and so there are no limits to the settings where our exclusive products can be used.

DESIGN
Limitless creativity
Collections developed with 4D TECH and its improved technology break new ground in design, thanks to its new aesthetic and material-related potential for creating products that are simply unique.

DEFINITION
Simply amazing detail
Opening up new ground in precision and tile finishes. Thanks to our new production system, not only can we improve on real sources of inspiration but we can also reinvent nature through products like nothing you will have ever seen.

DISTINCTION
Committed to innovation
With the arrival of new 4D TECH technology, Museum has yet again demonstrated that it is a trailblazer in the introduction of technological innovations, guaranteeing consumers exclusive products that are a cut above all the rest.

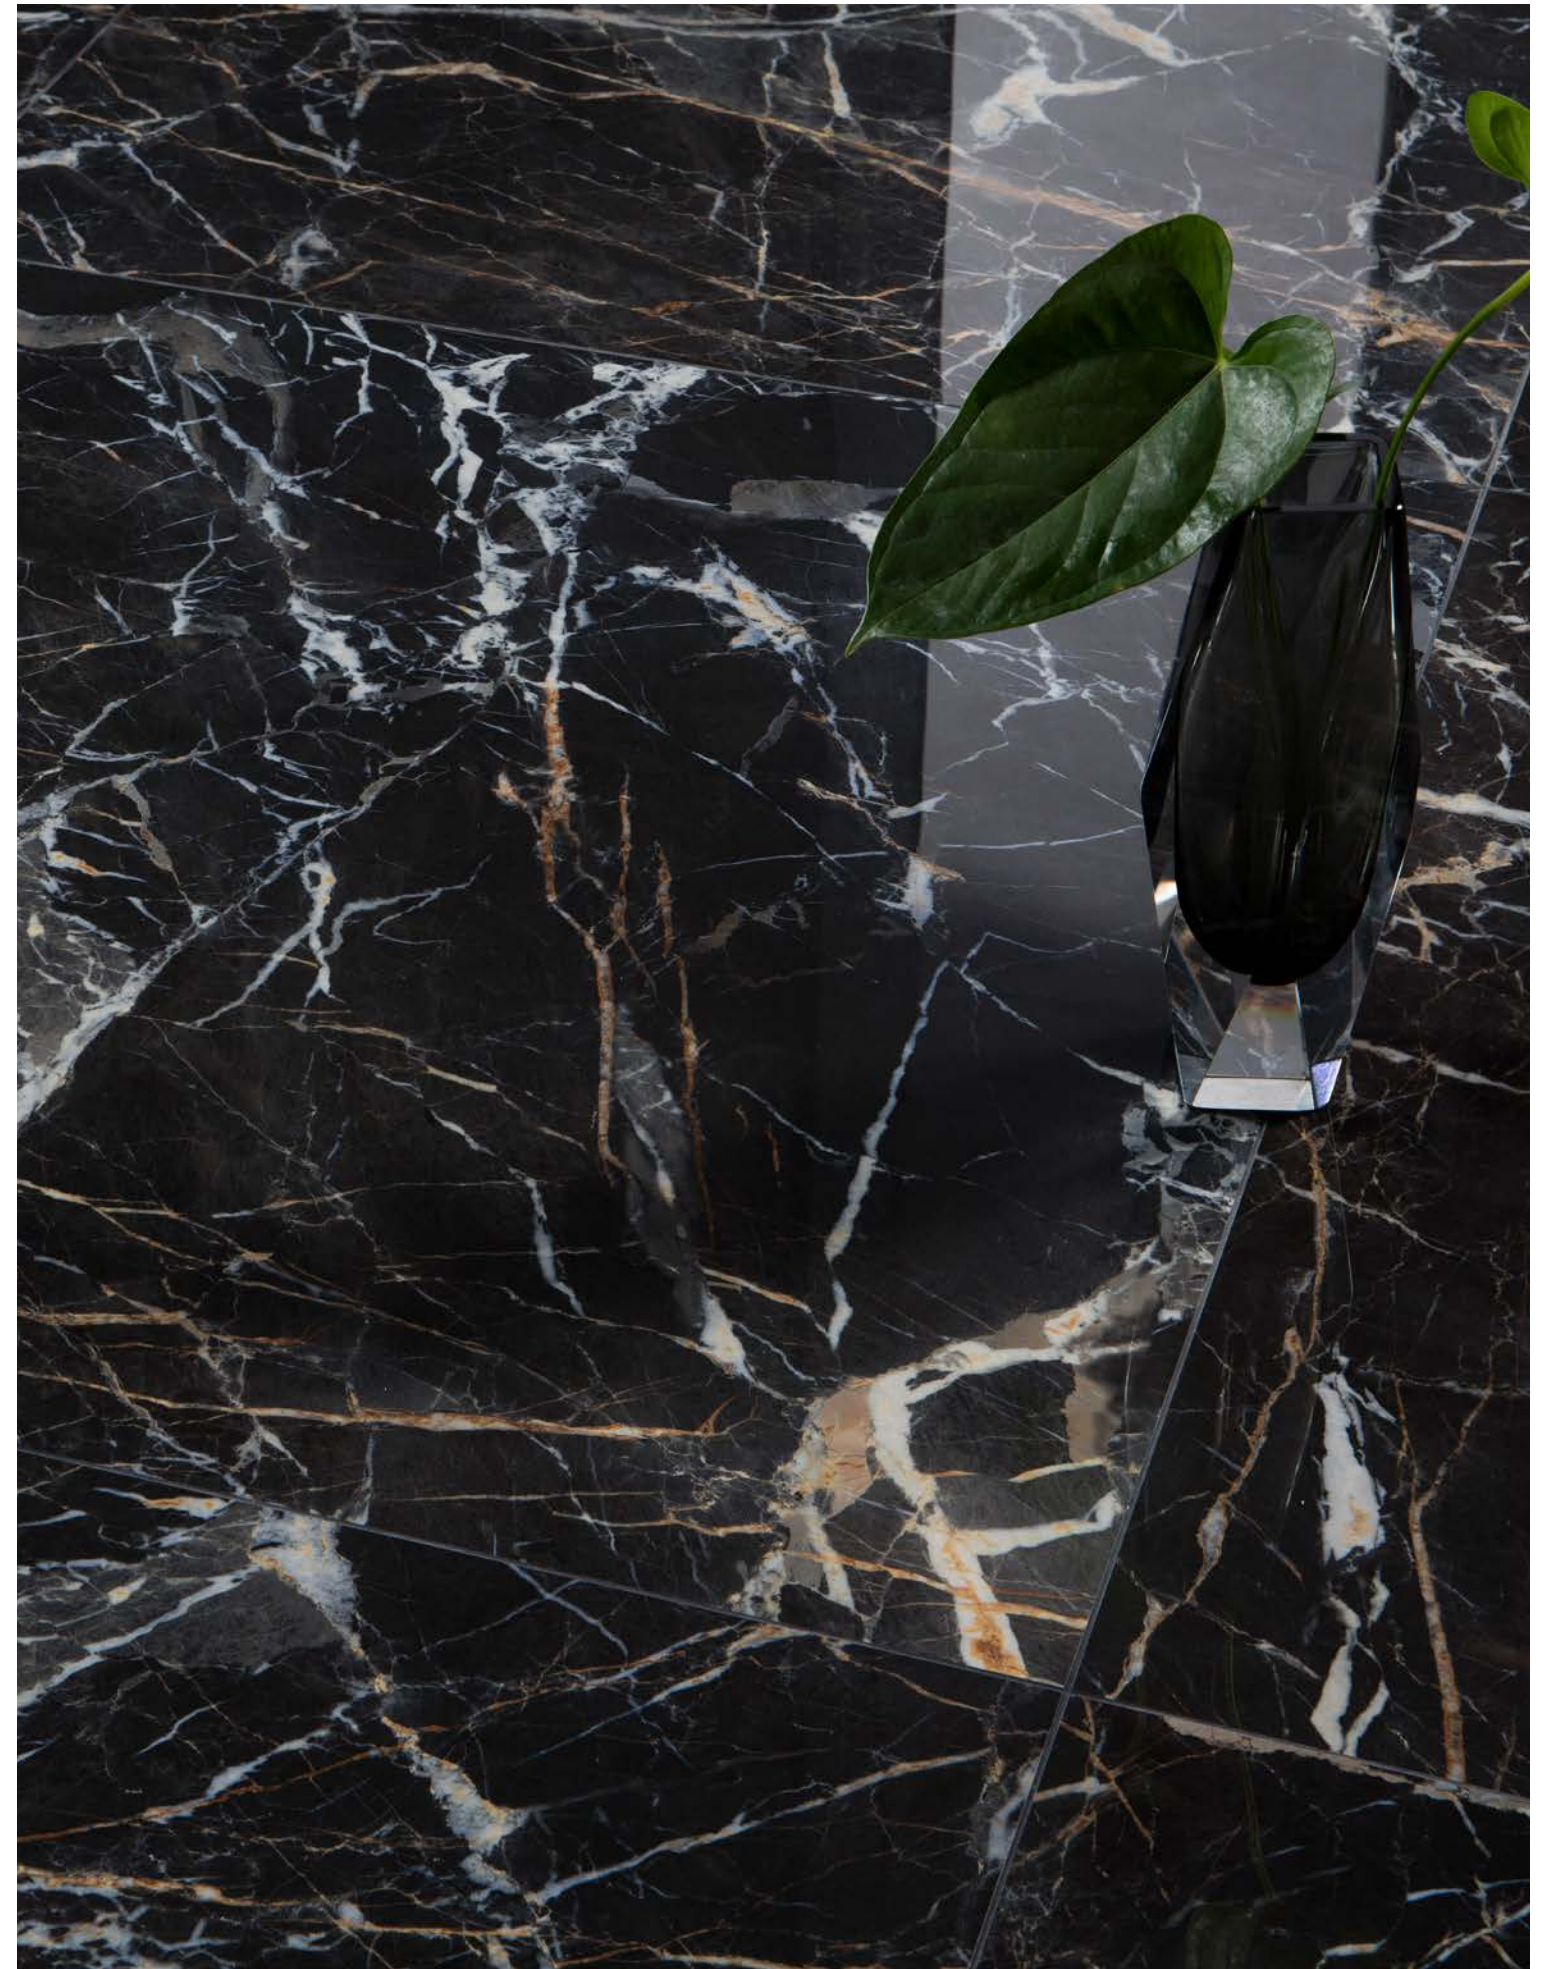

LAURENT

LAURENT is synonymous with deluxe distinction. With a dark black background splashed with white veins and oxide sparkles, it has a strong contemporary appeal. Inspired by Noir St. Laurent marble, the collection comes in a Polished finish in a 75.5x151cm or 60x120cm format. Laurent is ideal for creating settings with a deluxe classy distinction, infusing them with a unique magnetism.

MACCHIA VECCHIA 4D

MACCHIA VECCHIA is the outcome of a quest to create a collection with a white surface crisscrossed by strong grey and gold veins that emulates Carrara marble. It unites the beauty of Carrara's singular design with the advantages of cutting-edge 4D technology, capable of lending the tiles a silky natural feel in combination with a Premium Polished finish—the most mirror-like shine in the Museum range. This finish is available in a 180x100cm or 100x100cm format, while the 75.5x151cm and 60x120cm tiles come in a Natural or Polished finish. Thanks to the broad range of tiles in the collection, a high degree of versatility is ensured through multiple different combinations that always stand out for their deluxe elegance.

OPERA

OPERA's exquisite design is inspired by cappuccino coffee, shot with cracked veins, in a choice of two colours. The first, Opera Brown, is a wonderfully warm colour, with veins and dark browns that stand out against a capricious bold background, while the second, Opera Fumo, is dark anthracite in colour with a distinctive warm allure. Opera comes in a unique Polished finish, a mirror-like shine for glazed porcelain tiles, in a choice of two formats: 75.5x151cm and 60x120cm. The collection brings a stylish contemporary appeal to living spaces, drawing all attention to the flooring.

KRITIOS

With a design inspired by Carrara Statuario marble, KRITIOS has a white background evocative of Calacatta marble crisscrossed by more dramatic bigger, spaced-out grey veins. The tiles highlight the characteristic veined pattern of this kind of marble, with interplay between shades of grey and brown to ensure an even more exclusive spectacular appeal. Available in 60x120 cm and 90x90 cm, in addition to a new 75.5x151 cm format.

GIOIA

Inspired by exclusive Carrara 'GIOIA' marble. With a clean white background covered in delicate veins that run across the whole surface, its pattern emulates superior pieces of this unique elegant marble, one of nature's gems. A glazed porcelain tile collection, GIOIA comes in a wide variety of formats (90x90cm and 60x120 cm) to suit settings of all kinds.

The collection has been extended with the addition of the 33x100cm GIOIA SILVER wall tile model, opening up even broader design potential.

TORANO

The TORANO collection comes in different formats and finishes. Its exclusive design is inspired by Calacatta marble from the Carrara area of Italy. A marble with a white background and bold strong veined pattern, Calacatta is more dramatic than Carrara marble, which tends to have a greyer background and more gentle veins.

Available in a polished or natural finish in a 75.5x151 cm, 60x120 cm or 90x90 cm format, in addition to a new 33x100cm one for walls.
